Dear Cattleman:

It is a pleasure once again to welcome you to Denver for the National Western Shorthorn & Polled Shorthorn Sale to be held Monday, January 17, 1977 at 7:00 P.M.

Leading registered herds from throughout the entire United States will be represented by consignments in this sale that will be held on the hill.

This past year was in many ways a boom year for Shorthorn & Polled Shorthorn Breeders throughout the entire United States. 1976 was a year in which we experienced a tremendous demand for Shorthorns at auction from coast to coast. As evidenced by a record setting Polled Congress Sale as well as the pace-setting National Sale held this past November at the Kansas City American Royal.

Certainly, 1977 lends us to believe that this momentum created in '76 will continue on into 1977 and once again give Shorthorn producers a strong market to merchandise their product on.

As in previous Denver Sales, this year's consignments will include a quality offering of both bulls and females. This sale has always been a source of herd-leading herd sires or big and rugged commercial bulls.

Make your plans now to be in Denver the afternoon of January 17 for the parade of sale cattle and to rub elbows with fellow cattlemen. Then make plans to be present in the evening for this most eventful sale.

Sincerely,

*Bruce*

Bruce Brooks
